

Mentoring for change newcomers

Learn from the expert

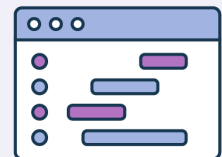

ONLINE

IN PERSON

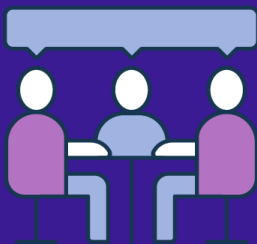

Is this you?

You know the organization well - but you never had to plan and implement a transformation. You think you can do it and would really love an experienced change manager at your side as a sparring partner and mentor. You want to get up to speed fast to better address internal concerns and employee resistance. When there is a roadblock, you'd like expert advice in overcoming it.

A fit for your schedule

We talk once per week or twice. We accommodate your busy schedule. Get a monthly retainer or book by the hour.

I am here to help

- We assess your current roadblocks
- We identify the gaps
- Together, we select the best tools (from workshops to employee handbooks)
- You implement, I give feedback
